HISTORY OF THE REGENT HOTEL

If walls could speak, ours would have stories long and layered. With origins dating back to the 1920s, The Regent Hotel is one of the oldest family-owned and operated hotels in Canada and is the oldest family-owned business in Revelstoke!

The Regent Hotel was once two neighbouring and fiercely competing hotels known as The Windsor Hotel & The Selkirk Hotel. Eventually, the Windsor Hotel was renamed The Regent Hotel and bought by the Beruschi Family in 1945. It was not until the 1980's that the two competing properties were renovated, modernized, and brought together as one Hotel!

We hope you enjoy your experience in the Historic Rivercity Pub & Patio!
